a little bit out-dated – Nov. 2007

OASIS ODF TC's work for next version of ODF

Formation of Requirements Subcommittee

Chaired by Bob Jolliffe.

Collection of requirements from all possible channels

TC members and Subcommittees.

internal review of ODF 1.2 drafts.

public comment mailing list.

work in other TCs – especially ODF Adoption TC and OIC TC.

liasons.

...

Define vision for the next version of ODF.

Report requirements to the ODF TC.

How does the ODF TC goes shopping in general?

Work and ideas of its TC members and its Subcommittees:

shopping list is filled by proposals of these groups.

TC had worked out a process – follow the corresponding link on TC's wiki page <http://wiki.oasis-open.org/office>.

Ideas and requirements submitted by ODF stakeholders outside the ODF TC:

shopping list is filled by requirements filed via the ODF TC's comment mailing list.

Requirement Subcommittee has worked out a template for this - see <http://wiki.oasis-open.org/office/Requirements>.

Current items on the shopping list - 1

Backlog of 46 proposals from TC members.

see http://wiki.oasis-open.org/office/List_of_Proposals

proposals have been postponed in Dec. 2008 in order to keep ODF 1.2 on track.

Certain output of the internal ODF 1.2 draft reviews.

Patrick is collecting items which arise during the internal review and have been postponed to the next version of ODF.

Current items on the shopping list - 2

Requirements submitted to the comment mailing list using the template from the Requirements subcommittee.

see spreadsheet in document repository of the subcommittee.

http://www.oasis-open.org/committees/documents.php?wg_abbrev=office-requirements

Other proposals filed via the comment mailing list.

see comments register spreadsheet in document repository of ODF TC

http://www.oasis-open.org/committees/documents.php?wg_abbrev=office

Note: The ODF TC is in “collection mode” which means that no decisions have been made on the current shopping items, yet.
